

East Peoria, IL - 4B Components, Ltd. hosted an event on October 11, 2007 for visiting members of APOSGRAN and ABRAPOS, the Argentinian and Brazilian Associations of Post Harvest Grains.

The 14 member group included representatives from various Latin American companies including: Agrocereales La Milonguita S.A., Compañía Argentina de Granos, INTA Balcarce, Silos Mengo, Toepfer, Aceitera General Deheza, Automacao Widitec Ltda, and Soc Agrop. De Correa Coop Ltda.

The members toured the offices and warehouse of 4B Components and were able to see 4B's products in use by visiting Tremont Grain, a local grain elevator. Along with the tours, the members were also given presentations on 4B's various product lines including: elevator buckets, bolts, chain and electronics.

4B Components USA, Ltd. manufactures and sells products throughout North, Central and South America.

4B previously hosted APOSGRAN in 2004.
